Využijte redakčního systému ACTAVIA pro zasílání Vašich rukopisů k publikaci

The screenshot displays the ACTAVIA editorial system interface for the journal 'Česká Urologie' (CZECH UROLOGY). The interface is in Czech and includes a navigation menu with options like 'Administrace', 'Články k úpravě', 'Články před tiskem', 'Archiv', 'Hledání', and 'Odhlásit'. The main content area shows a list of articles with their titles, authors, and submission dates. Two articles are visible:

- Article 1:** 'Krátkodobé onkologické výsledky po radikální prostatektomii s rozšířenou pánevní lymfadenektomií a s nálezem uzlinových metastáz. Lze pomýšlet na úspěch bez systémové léčby?' by MUDr. Michal Staněk Ph.D. (Submitted: 10.4.2015).
- Article 2:** 'Tumor glans penis jako klinická manifestace plasmablastického lymfomu' by MUDr. Daniel Buřil (Submitted: 10.4.2015).

Each article entry includes a 'Recenze' (Reviews) section with a list of reviewers and their submission dates. The interface also features a sidebar with 'Časopis:' (Journal) and 'Režim typografa:' (Typesetter) sections, and a 'Můj účet:' (My account) section. The footer includes the ACTAVIA logo and copyright information: '© 2013 Česká lékařská společnost J. E. Purkyně. Powered by reviews management and editorial system Actavia.'
